

What? I wasn't saying anything.
There's a pudgy kid over there who
is picking his nose. I admire this
man's guts. ~~I~~ I could not ~~be~~
be so free with my finger. But
I am not pudgy either. Maybe
all pudgy people are nosepickers.
Hmmm. That's probably wrong. I
shouldn't generalise the pudgy people.
Sorry pudgy nosepicker dude. I can't
read my own handwriting. This stinks.
The thoughts that are on this paper
will never be decipherable, and they will
be stuck in my head. Noooooo!
Must find a key. I.
