

I am a Biology major  
Why do I need a Lit class  
I don't know many PT's who read/write  
poetry.  
Unless poetry takes the form of a  
prescription.  
Then I guess I need a Lit class?

There is too much sugar in my coffee  
TOO much milk as well  
Next time make it black.

I need a haircut  
But I'm short on cash  
Maybe if a parking permit wasn't \$120  
I could get a haircut
